

Carr Head Primary School

Equality Objectives

At Carr Head we are an inclusive school and welcome all pupils and families. We believe in and promote, equality and fair treatment for all.

Our objectives are:

- We will work to narrow the gaps between different groups – e.g. educational attainment, where some groups are disadvantaged.
- We will promote Carr Head as a cohesive community where people of different backgrounds get on well together.
- We will promote and celebrate the diversity of Carr Head's wider community.
- We will ensure we are a fair and inclusive employer in our recruitment, employment, career development and retention activities.
- We will work with our partners to build stronger, safer communities by tackling intolerance of any kind.

These will stand for a maximum of 4 years and will be reviewed in Summer 2024 by the governors.
