Information for Children, Young People and their families. Collection of Health Assessments/Questionnaires at Year 6 and Year 9

Lancashire County Council, Blackpool Teaching Hospital NHS Foundation Trust are a data controller for the purposes of the Data Protection Act.

During Year 6 and Year 9 pupils will be asked to complete a Health Needs Assessment Questionnaire on a controlled, secure and protected web-platform.

The purpose of collecting this information is to allow:

- School Nurses to offer you support to address individual health needs, School Nurses and their employing organisation will have access to your individual information, in order for them to identify who may require further support or who require their services. School Nurses adhere to national standards of confidentiality unless they have cause for concern around safety issues. The School Nurses will keep a record within your Child Health Record if you do require any further support or guidance. This will also allow School Nurses to understand the health needs of schools
- The information collected from questionnaires will also be used to form a summary report for your school. This is anonymised information will support schools in understanding health needs of their pupils and allow them to target resources appropriately
- The Local Authority being Lancashire County Council will also use this information at an anonymised level in order to understand and address the population health needs of children and young people in areas of Lancashire and make appropriate plans and actions.

If you need more information about how the Lancashire County Council or Blackpool Teaching Hospitals NHS Foundation Trust store and use your information, then please go to the following websites:
