

Year 5 Curriculum Overview

Autumn 1: A Kingdom United

English

The children will learn to:

- Persuasion - visit Blackpool: TV broadcasts/formal presentations
- Legends of the British Isles - Outlaw (Robin Hood)
- Myths and Legends linked to Robin Hood
- Weekly spellings
- Daily guided reading
- Using modal verbs and adverbs to indicate degrees of possibility
- Creating complex sentences

Physical Education

The children will take part in:

- Ball games
- Invasion games
- Swimming

French

High street:
Speaking with fluency
Follow a short, familiar text and pick out the main details

Music

Living on a prayer (Charanga)
The children will listen and appraise the song 'Living on a prayer'. They will have opportunities to sing, play, improvise, compose and perform the song.

Science, History, Art, D&T and Computing

In Science, the children will learn about properties and changes of materials, reversible changes including mixing and separating and insoluble and soluble materials. They will explore reversible changes including evaporating, filtering, sieving, melting and dissolving, recognising that melting and dissolving are different processes.

In History, the children will take part in a study over time tracing how several aspects of national history are reflected in their locality.

In Art & DT, the children will be learning about different textiles.

In ICT, we will focus on coding. The children will start to develop independence in a visual programming language, writing their own code rather than just following instructions and testing out ideas.

Mathematics

The children will learn:

- Place value - reading and writing numbers up to 1 million
- Weekly arithmetic
- Place value decimals
- Written addition and subtraction
- Geometry (angles)
- Geometry and measures (perimeter)
- Addition and subtraction (statistics)

RE & P.S.H.E

The children will learn:

- The different kind of writings and stories which are important to Christians
- Stories with special meanings

PSHE:

- Health and wellbeing
